Technical Skills

- ❖ **Languages:** HTML, CSS, JavaScript
- ❖ **Frameworks:** Node.js, React.js, Tailwind CSS
- ❖ **Tools:** Git, GitHub

Education

- ❖ **BCA – Bachelors of Computer Application**
  Maa Shakumbhari University Saharanpur   **Percentage:** 65% | (2021 – 2024)
- ❖ **Advance Diploma in Information Technology – ADIT**
  It Computer Learning Group Muzaffarnagar   **Grade A+** | (2021 – 2022)
- ❖ **12th Passed from U.P Board**   1st Division | (2021)
- ❖ **10th Passed from U.P Board**   1st Division | (2019)

Projects

- ❖ **Spotify Website Clone**
  - ➢ **Technologies:** HTML, CSS
  - ➢ **Project Description:** A clone of the Spotify website, focusing on replicating the design.
- ❖ **Razorpay Clone Website**
  - ➢ **Technologies Used:** HTML, Tailwind CSS, JavaScript,
  - ➢ **Project Description:** Developed a responsive and visually appealing Razorpay clone website using HTML and Tailwind CSS for a clean and modern UI. Deployed the website on Vercel for easy access and scalability.
- ❖ **Employee Information System**
  - ➢ **Technologies Used**: HTML, CSS, JavaScript, React.js
  - ➢ **Project Description**: Developed a dynamic Employee Information System that allows users to add, delete, and reset employee records. The application features a user-friendly interface for managing employee data efficiently, utilizing React.js for component-based architecture and seamless updates. The system ensures smooth handling of employee details with instant feedback on operations like addition, deletion, and data reset, improving administrative tasks within an organization. Deployed the application on Vercel for easy access and scalability.
- ❖ **Weather App**
  - ➢ **Technologies:** HTML, CSS, JavaScript, React.js
  - ➢ **Project Description:** Developed a responsive Weather App using React.js, HTML, CSS, and JavaScript, which provides real-time weather updates based on the user's location. Integrated API to fetch and display weather data dynamically. Focused on clean UI/UX design and performance optimization to ensure seamless user experience across various devices. Deployed the application on Vercel for easy access and scalability.

Certification

- ❖ **Personality Development Certificate**
  - • IT Computer Learning Group Muzaffarnagar | 2022
  - • Focused on enhancing communication skills, leadership, and personal growth.
- ❖ **Web Designing Certificate**
  - • S.D. College of Management Studies Muzaffarnagar | 2023
  - • Completed a comprehensive course covering HTML, CSS, JavaScript, and responsive design.
- ❖ **Python Programming Certificate**
  - • S.D. College of Management Studies Muzaffarnagar | 2023
- ❖ **Basic and Advanced Computer Course Certificate**
  - • Softtage Computer Institute Muzaffarnagar   Grade A | 2020 - 2021
